

RYA

Level 2 Powerboat Course

The RYA level 2 powerboat course is essentially your driving license for the water! This course will give you a solid grounding in all aspects of powerboat 'driving'. The completion of this course will enable you to hire powerboats and is an essential qualification if you are looking for any sort of career in water sports instruction.

Run over two days this course covers high-speed handling, low speed manoeuvres and man over board recovery. The course also provides detailed information regarding boat safety, including equipment to carry and collision rules. The high-speed element will be run on the sea, although this is **not** a coastally endorsed qualification.

The course is non-residential, although youth hostel accommodation is available nearby.

Pre- requisites are as follows:

- No previous experience necessary
- Minimum age 12 (Candidates under 16 will be issued with an endorsed certificate)

Further details available from RYA – www.rya.org.uk
