

Welcome to Water Park!

A residential outdoor centre on the shore of Coniston Water.

We are available to groups of young people and corporate clients. Unfortunatley we cannot cater for individuals, unless on one of our specialist courses.

The Estate has a history as a 'Park' belonging to Furness Abbey. The current estate comprises 65 acres, mainly woodland, and includes the former mansion house, ancillary building, a mile of lakeshore, a marina and a boathouse.

For any information please look around our site or give us a call or e-mail. Any available course dates can be viewed on the mini calendar, available courses show up as green. We are currently experiencing email problems. Please send emails to waterpark@hotmail.co.uk

Waterpark is ideally situated at the base of Coniston Water and has easy access to the M6 via the Kendal turning.
